WARRANT FOR ANNUAL TOWN MEETING

York, ss.

To George H. Davis, a Constable of the Town of Buxton, in the County of York and State of Maine, Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the said Town of Buxton, qualified to vote in town affairs, to meet in the Town House in said town of Buxton on Monday, the third day of March, A. D. 1930, at ten (10) o'clock in the forenoon to act on the following articles:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the town will vote to accept the reports of the several town officers.

Art. 3. To see if the town will vote to elect or have the Selectmen appoint Road Commissioners for the ensuing year and how many.

Art. 4. To choose town officers for the ensuing year.

Art. 5. To see how much money the town will vote to grant and raise for the support of common schools for the ensuing year.

Art. 6. To see how much money the town will vote to grant and raise for the support of Free High School for the ensuing year.

Art. 7 To see how much money the town will vote to grant and raise for textbooks for the ensuing year.

Art. 8. To see how much money the town will vote to grant and raise for school supplies for the ensuing year.

Art. 9. To see how much money the town will vote to grant and raise for repairs of school buildings for the ensuing year.

Art. 10. To see how much money the town will vote to grant and raise for providing instruction in music in the schools.

Art. 11. To see what sum of money the town will vote to grant and raise to pay Buxton's share of the salary of the Superintendent of Schools.

Art. 12. To see if the town will vote to grant and raise the sum of thirty-eight hundred fifty dollars ($3,850.00) to pay the sums granted by loans at special town meetings held in 1929, said money having been expended for repairs on Bar Mills bridge, Salmon Falls bridge, Leavitt bridge, and Special Resolve road.

Art. 13. To see how much money the town will vote to grant and raise for miscellaneous expenses for the ensuing year.

Art. 14. To see how much money the town will vote to grant and raise for contingent expenses for the ensuing year.

Art. 15. To see what action the town will vote to take in regard to opening the Town Farm.

Art. 16. To see how much money the town will vote to grant and raise for the support of poor for the ensuing year.

Art. 17. To see how much money the town will vote to grant and raise for repairs of highways for the ensuing year.

Art. 18. To see how much money the town will vote to grant and raise for support of bridges and culverts for the ensuing year.

Art. 19. To see how much money the town will vote to grant and raise for cutting bushes for the ensuing year.

Art. 20. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Sec. 19, Chap. 25, Revised Statutes of 1916.

Art. 21. To see if the town will vote to appropriate and raise the sum of four thousand three hundred twenty dollars

($4,320.00) for the improvement of State Aid road as outlined in the report of the State Highway Commission in addition to the amount regularly raised for the care of ways, highways, and bridges, the above named being the maximum which the town is allowed to raise under the provisions of Sec. 18, Chap. 25, of the Revised Statutes of 1916; or under the provisions of Sec. 21, Chap. 25, Revised Statutes amended by Chap. 258, Public Laws 1917.

Art. 22. To see if the town will vote to grant and raise money and what sum for the maintenance of State Aid highways during the year within the limits of the town under the provisions of Sec. 17, Chap. 25, of the Revised Statutes of 1916.

Art. 23. To see what sum of money the town will vote to grant and raise for patrolling State Aid highways for the ensuing year.

Art. 24. To see what sum of money the town will vote to grant and raise in connection with the money received from the State, for aid Third Class highways, as laid out by the State Highway Commissioners.

Art. 25. To see if the town will vote to grant and raise the sum of sixty dollars ($60.00), the same to be used for the maintenance of the Special Resolve road at Lower Corner according to the provisions of Chap. 124, Public Laws of 1927, Sec. 3.

Art. 26. To see if the town will vote to grant and raise the sum of nine hundred twenty-seven dollars ($927.00) for the maintenance of Third Class Road, said sum being the amount required under Sec. 4, Chap. 260, Public Laws of 1929.

Art. 27. To see if the town will vote to grant and raise a sum of money to be expended on the highway leading from a point on the road from Groveville to Gorham, near the house formerly owned by the heirs of David Warren, passing the houses occupied by Ernest Johnson, Hurlin R. Smith, Fred W. Owen, and several others to the State road leading

from the Duck Pond (so called) to East Buxton. (Petition of George W. Davis and twenty others.)

Art. 28. To see if the town will vote to grant and raise the sum of five hundred dollars ($500.00) to be used for surfacing and filling bad places in the road leading from Kimball's Corner, so called, to Frank Boothby's, thence to Gorham town line, via Clinton Emery's; work to start as soon as ground conditions permit in Spring of 1930; money to be expended by Town Road Commissioners. (Petition of M. B. Drisko and thirteen others.)

Art. 29. To see if the town will vote to appropriate and raise the sum of seven hundred fifty dollars ($750.00) to match a like amount appropriated at the recent session of the State Legislature, to be used in the year 1930 for the purpose of rebuilding under State Supervision a section of the road leading from the Mason House Corner on the State Highway Route No. 111 toward Buxton Lower Corner. (Petition of A. C. Thompson and sixteen others.)

Art. 30. To see if the town will vote to grant and raise the sum of one thousand dollars ($1,000.00) to be used for the purpose of graveling road from Duck Pond Corner, so called, to Buxton Depot. (Petition of Arthur W. Soule and nine others.)

Art. 31. To see what sum of money the town will vote to grant and raise for the construction of electric light lines in the town of Buxton, and whether the amount so voted shall be raised by bonds or otherwise. (Petition of W. B. Hague and fourteen others.)

Art. 32. To see if the town will vote to grant and raise the sum of fifty dollars ($50.00) for the benefit of the West Buxton Public Library. (Petition of F. H. Hargraves and twenty-two others.)

Art. 33. To see if the town will vote to install and maintain two street lights, one near the residence of Arthur Pinkham and one near the residence of John Pike on the Beach

Plains Road. (Petition of Lawrence R. Johnson and twelve others.)

Art. 34. To see if the town will vote to install one electric light at the foot of the Woodman Road, on the Salmon Falls road, two on Towle St., one on Depot St., and to take over the light located in front of the library. (Petition of Thomas J. Walsh and twenty-one others.)

Art. 35. To see if the town will vote to grant and raise the sum of five hundred dollars ($500.00) to complete the rebuilding of the sidewalk from the R. R. Station to the square in the Bar Mills village. (Petition of H. A. Owen and eighteen others.)

Art. 36. To see what sum of money the town will vote to grant and raise for a school clinic or a free bed at the Buxton and Hollis Hospital. (Petition of G. M. Sawyer and eleven others.)

Art. 37. To see if the town will vote to exempt from taxation for a term of ten years, the property known as Pageville, providing some industry locates therein. (Petition of A. G. Wiley and eleven others.)

Art. 38. To see what per cent the town will vote to pay the Collector of Taxes for the taxes collected for the ensuing year.

Art. 39. To see how much the town will vote to grant and raise for support of street lights in town of Buxton.

Art. 40. To see if the town will vote to offer a reward of three hundred dollars ($300.00) for the arrest and conviction of any person or persons convicted of stealing hens or poultry and empower the Selectmen and Treasurer to hire money to pay same. (By request of A. T. Elwell.)

Art. 41. To see how much money the town will vote to grant and raise to pay interest on bonds and bequests and insurance on school buildings for the ensuing year.

Art. 42. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of

taxes and issue notes therefor, to be paid out of money raised during the current year by taxes.

Art. 43. To see how much money the town will vote to grant and raise to pay interest on temporary loans and outstanding obligations.

Art. 44. To see how much money the town will vote to grant and raise to apply to the sinking fund already established to take care of bonds issued.

Art. 45. To see how much money the town will vote to grant and raise for the Harold F. Hutchinson Post, No. 130, American Legion, for Memorial Day.

Art. 46. To see if the town will vote to grant and raise the sum of fifty dollars ($50.00) for the Boys' and Girls' Agricultural Clubs.

Art. 47. To see if the town will vote to grant and raise the sum of one hundred fifty dollars ($150.00) to be used for the purpose of paying insurance policies against accident and death for the members of the Bar Mills Fire Department.

Art. 48. To see if the town will vote to authorize the Selectmen to sell and convey any or all property acquired by tax sale.

Art. 49. To see how much money the town will vote to grant and raise for upkeep of Fire Engines for the ensuing year.

Art. 50. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

Art. 51 To see what sum of money the town will vote to raise for the services of the public health nurse.

Art. 52. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session at the Selectmen's Office on Saturday, March 1, from 9 o'clock A. M. to 4 o'clock P. M., for the purpose of correcting the list of voters.

Fail not to make due service of this warrant, and return your doings thereon at the time and place of meeting.

Given under our hands this thirteenth day of February, A. D. 1930.

FRED W. MCCORRISON,
FRED W. SMITH,
SEWELL F. SMITH,
Selectmen of Buxton.

REPORT OF SCHOOL CLINIC AT BUXTON AND HOLLIS HOSPITAL.

School Clinics conducted twice a week through the summer or vacation months and once a week during the school year have been well attended. We have attended to the usual number of tonsil and adenoid cases, and have been able to have four dental clinics. The need of dental work for our children in school is urgent. We find from personal examinations and careful observance on the part of our teachers that 60% of our school children have defective teeth.

The work of examination, observation and tabulation of children with some health impairment has been pleasant

although difficult, and through the coöperation of teachers, school authorities and the other physicians interested, has been productive of much good.

Dr. Baker, Dr. Owen and Dr. Abbott have been enthusiastic helpers, and we all feel that medical and dental work for our students is of great importance. We are indebted to Dr. Merriman for advice and a lot of practical dental work at our clinics.

Respectfully submitted,

A. G. Wiley, M. D.,
Buxton and Hollis Hospital.

REPORT OF THE FIRE WARD.

To the Municipal Officers and Citizens of Buxton:

I herewith submit my report as Fire Ward for the year ending February 13, 1930.

The number of fires in the town for the past year resulting in over $25.00 damage, two (2), the dates of their occurrences are as follows:

January 6, 1930. Pile of chips owned by the Rogers Fibre Company. Estimated loss $100.00. Cause of fire unknown, probably incendiary. Covered by insurance.

January 26, 1930. Dwelling house owned by E. T. Lewis of Portland and occupied by Charles A. Crommett. Estimated loss $650.00. Cause of fire probably from an overheated chimney or spark from stove. Covered by insurance.

Total estimated loss by fire in the town of Buxton for the past year $750.00.

The Bar Mills Fire Department has answered 35 alarms in the past year, there being 26 box alarms and 9 still alarms.

The Bar Mills Fire Department is in very good condition at present as evidenced by its quick response to any and all calls. At the annual meeting held in October of each year for the election of officers, Edwin A. Palmer was elected President, Harry E. Wallace, treasurer, Thomas J. Walsh, secretary, Maurice Goodson, chief, Jay Atkinson, assistant chief, and Lester Palmer, captain.

The members of the department much appreciate the interest taken in all their endeavors by the people of the town, and stand ready to give prompt and efficient service at any time the need arises, as they always have in the past.

It might be well to mention that on two occasions within the past four months, the members of the Bar Mills Fire Department have been called to aid South Waterboro in extinguishing fires of dangerous proportions; and that in both instances the Bar Mills boys were the first to get to work on the blaze, although help was also summoned from Sanford, Alfred and Hollis Center at the same time as the Bar Mills Department was called. This certainly proves that the Bar Mills Fire Department is always ready and quick to respond.

I wish to say that during the five years I have served as Fire Ward and Deputy Forest Fire Warden, I have enjoyed the fullest coöperation from the members of the Bar Mills Fire Department, the Municipal Officers, and the Citizens of the town. That never once when I asked for aid did they fail to respond, and I sincerely appreciate all their efforts in my behalf and in the protection of the town's property.

Respectfully submitted,

LAWRENCE A. SAWYER,
Fire Ward.

REPORT OF DEPUTY FOREST FIRE WARDEN.

To the Municipal Officers and Citizens of Buxton:

I herewith submit my report for the year ending February 13, 1930.

During the past year I have issued twenty-eight (28) permits to burn brush and slash.

There have been no forest fires burning over one acre or more in the past year.

Respectfully submitted,

LAWRENCE A. SAWYER,
Deputy Forest Fire Warden.

REPORT OF TRUSTEES OF BERRY LIBRARY.

It is with pleasure that the Trustees of Berry Library submit their first annual report.

At first let us express our sincere appreciation for all the assistance that was so freely given us in cataloguing books and other necessary work before opening the library. Also may we heartily thank all who have given freely of books, pictures, andirons, clock, lights, etc.

The library was first opened for the loaning of books on Saturday, January 5, 1929. We had approximately one thousand books on the shelves. During the year we have had a great many gifts of books from one to over two hundred. Mrs. Cecil Dean generously gave the best part of her late husband's library, about two hundred and twenty-five volumes. A valuable addition to the library.

We are greatly indebted to Mr. Algernon Dyer through whose efforts we secured the money belonging to the Old Library Association of Bar Mills, the amount being $170.00.

Very recently we received one hundred dollars worth of books from the State Library Founding Fund.

Respectfully submitted,

Milton V. McAlister,
Fannie E. Towle,
Lucy M. Trask,

Trustees.

LIBRARIAN'S REPORT.

The Berry Library opened for distribution of books, Saturday, January 5, with 1000 volumes on the shelves, of which 471 had been purchased and the others gifts of the Dorcas Society, Grange, Baptist and Congregational Sunday Schools, and many individuals.

We now have,	1735
Number acquired by purchase,	775
Number acquired by gift,	960
Number in circulation during year,	6178
Largest circulation in one month, March,	701
Smallest circulation in one month, June,	369
Average circulation per month,	515

Amount received from fines, $10.29, of which $5.63 has been spent for miscellaneous articles. Among the gift books received during the year was one set, 20 vols., of Shakespeare's Works, from Mrs. Weeks; 6 books, including Music and Musicians of Maine, Miss Nora Smith; Books and Literature of Maine, Mr. A. L. T. Cummings; 5 books on Psychology of the Child, Mr. Swift; 50 books of Fiction, Dr. Wiley.

We also have a number of good magazines for the reading tables. A set of International Encyclopedias, Webster's New International Dictionary, and the Laws of Maine for 1929.

Fannie E. Towle,
Librarian.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the Superintending School Committee and Citizens of the Town of Buxton:

The annual report is herewith submitted:

Through your continued support of our schools we have been enabled this year again to enlarge our course of study with improved facilities and the latest subject matter and provide educational aids and helps for the teachers. The program for improved school buildings has been completed in a very efficient manner. Much satisfaction has been expressed in the improved standard of work under better working conditions. A greatly increased interest in school work has been noted.

We have for our consideration the problem of the upkeep of our schools under changing economic conditions. It is evident that we cannot maintain our schools at their present standard with decreased financial support. Any reduction in teachers' salaries would be followed by less efficient schools. We must necessarily consider the vastly increased requirements in the field of education itself, as well as what we require from our teachers in the subjects to be taught in the schools and the increased requirements in preparation for the teaching. We have reason to believe that these requirements will be still further increased.

INSTRUCTION IN MUSIC

We have made a great advance in music instruction since it was first taught in the public schools. Music has come to have an important place in the course of study. The pupils have become very much interested in the course offered this year and the instruction has proved an incentive to improved classroom work, as well as being of assistance in school activities and in preparing for social and occasional programs.

Instruction has been given in all of the schools in town. The time given to the work is the same in each school, and instruction is given two days out of each week.

Mrs. Leah Petersen by training and experience is well qualified for the position of music teacher in the schools and the results have been very satisfactory. Much progress has been made in the first year of teaching music.

REPAIRS

We have been very much pleased with the splended new desks that have replaced the old unsightly desks at Dearborn Hill and Shadigee. Many of these old desks were not of construction to permit the pupils to conform to proper posture, and for this reason were a menace to the health of the pupils. We were requiring pupils to remain seated in these uncomfortable seats all day. These desks were very unsightly in appearance. These new desks are adjustable and finished in hard durable finish and in a dark brown color that eliminates glare from the eyes of the pupils. These desks are of a new style and were selected because of special construction with a guarantee of durability. There is also an advantage of the single desk over the old type of double desks in securing individual work.

The interior of the Bog Mill building was in need of renovation. The plastered walls were broken and unattractive in appearance. Plastered surfaces are not durable in school buildings. The walls have been covered with steel and painted in attractive colors. New book and supply closets have been built at Dearborn Hill and Bog Mill.

It was found necessary to do a large amount of repair work at the W. C. Webster building at Groveville this year. The building was painted on the outside. It was necessary to repair the walls and ceilings, and renovate the school room. Steel walls and ceilings have given such excellent satisfaction in other buildings that it was decided to go to the expense of using this excellent material on the ceiling and walls. The interior was painted in light colors so that we now have a building in an excellent condition of repair with a much improved condition as far as light is concerned. In a school of this size it is essential that the matter of light receive careful attention. The outside of the building had been allowed to deteriorate from lack of paint.

The high school building has always been well taken care of in the matter of painting, and the woodwork is very well preserved. The appearance of this building has been very much improved by painting again this summer. Money from the Hanson Fund provided the means of wiring the windows in the town hall for basketball and putting the stage in this building in condition for the school play. Reference books and library books have been secured to supplement class room instruction.

We have continued the use of steel walls and ceilings at Bar Mills. New walls and ceilings of an attractive pattern have been put up in the grammar school room. Painted in light colors, this room is especially attractive and a fine light for study has been secured. In the large hallway the walls and ceilings have been covered with steel. This covering makes an attractive and durable surface which is easily kept in order. This was a large surface to cover and required much material. The high walls also presented some difficulty in putting up the steel. However, there was a need of repair so the work was finished although the cost was somewhat greater than a temporary repair of the broken ceiling would have been.

We are glad that we are able to continue the program of improvement in the condition of our buildings in the way of securing a better environment for the school children. We feel that the right kind of an environment exerts a definite influence for good in education and for better citizenship.

We appreciate the constructive support that we have received from the citizens which has enabled us to accomplish these worthwhile objectives in education.

Respectfully submitted,

George E. Jack,

Superintendent.

REPORT ON MUSIC IN THE PUBLIC SCHOOLS.

From the beginning of the child's school experience, it is the duty of the Music Supervisor to cultivate the musical feeling which almost every child possesses to a greater or less degree; to encourage in their youth the feeling for good music, explaining that music is something that one carries through life as a friend, a guide; that it is worthy of one's best attention, study, love and respect.

I have found that most of the children have responded spontaneously to music. They have learned the joy of expression through the medium of rote songs. The teachers, too, have been enthusiastic and helpful in coöperating to tvercome the difficulties which must always be encountered in introducing a new project.

With the approval of Mr. Jack, our progressive Superintendent, we introduced the "Educational Series in Music" one of the most up-to-date courses. The first book in the series, "The Songs of Childhood," is a rote song book, correlating with the work and play of the grades. One or two songs are generally taught each week, besides the lessons in the first step of music reading.

Following is a summary of the course of study which we are using and expect to use:

Primary Grades, 1 to 4.

Rote songs
Major scale, by rote
Memorizing of the first five tones
Staff reading
First time motion
Memorizing the 6-7-8 of scale
Staff reading, all scale tones
Pitch names
Second time motion.

Grammar Grades.

Review of primary grade material
Finding "Do" with signatures
Names of keys
First step in chromatics
Five part singing

MUSIC APPRECIATION.

The educational purpose of music appreciation is to teach the child to listen intelligently, that is to say, with musical discrimination. The habit of listening is developed through the singing of rote songs. Six initial songs, selected from the songs already familiar to the class, are provided on phonograph records that illustrate different mediums of musical expression new to the class. The children learn to recognize the soprano voice with piano accompaniment, the violin with the piano, the trumpet with piano, and the tune or melody; to name some of the instruments of the orchestra, to recognize melodic designs and so on. This course appeals as well to children who cannot sing. Because of limited time, music appreciation can be taught only every fifth week. All the children look forward to the Appreciation period.

In the high school it is a much more difficult matter to adapt a course in music to the requirements of pupils of that age, most of whom have had no previous musical training. Until classes come in that have had the fundamentals in the grades, the most that can be accomplished is to teach songs by rote, gradually developing two-part and three-part singing. This year some instruction in sight reading has been given. The pupils seem enthusiastic and willing to coöperate in overcoming these difficulties. A few public appearances of the high school chorus have demonstrated what may be accomplished even under these conditions.

With the coöperation of the teachers, an operetta will be presented by the Bar Mills School at the close of the school year.

Respectfully submitted,

Leah J. Petersen.

REPORT OF PRINCIPAL OF HIGH SCHOOL.

To the Superintendent of Schools, Superintending School Committee and Citizens of Buxton:

I submit my annual report as Principal of your high school.

School opened on September 9th with forty-nine students in attendance, twenty-seven boys and twenty-two girls. Although registration is not as large as last year's average, attendance has been better for two reasons—fuller coöperation of parents and less sickness among students.

Courses are much the same, but we are endeavoring to do more and better work. In the majority of classes we are ahead of the schedule for last year, due to more regular attendance and more willingness on part of students to take suggestions.

Most of our boys and girls are rather slow in giving class explanation and many dislike to do anything along that line; moreover, most of them hate to appear in any public way, for which I am sorry. It therefore seems to be the duty of the teaching force to develop in every way as fast as possible clearness of thought and speech in public. Preliminary speaking contests have been held in school this winter for all students, and March 7th five boys and five girls will take part in a speaking contest at the Buxton Center Church. The Senior Class gave a play at Buxton Center, Bar Mills and Groveville the closing week of the fall term, and the Juniors expect to give a play in May.

I trust the citizens of Buxton will be patient with the Senior Class if they present a good many calls for money in the next few weeks, since they are working very hard to obtain funds for a well-planned and worth-while trip to Washington during the Easter vacation.

Both boys and girls have played a good number of basketball games this year, but have not been as successful as last year from the standpoint of games won. We should not forget, however, that the ultimate success of any athletic con-

test depends not alone on winning victories, but also on the sum total of self-control and character developed.

Students, parents and teachers must not forget as the years roll by who gave the Hanson Fund and what it means to our school. This year alone the windows have been screened at Town Hall in such an excellent manner that glass has not once been broken, the stage there much improved, and a telephone installed in the school building. There is also from this year's Hanson Fund, together with the amounts left over from other years, a good beginning for an athletic field. But where to secure the field is a problem that baffles those interested in providing one for the school. In the first place there are few fields near the school that are dry enough, and in the second place those suitable are not for sale. We trust, however, that something definite may be done this coming spring and summer.

School equipment is excellent at the present time, in fact far better than in most small high schools of the state. Our library, in particular, is exceedingly valuable and helpful, due to a fine choice of reference books by Mr. Jack.

I want to thank the many who have helped to make the present school year a very enjoyable one, also to extend a sincere invitation to parents to visit school when they can.

Respectfully submitted,

Elmer R. Verrill.
